Heart-Warming Christmas Bakes

Panettone **\$17.80**

Hailing from Italy and usually harsh on the wallet, Panettones are freshly baked and made affordable here at Bread Society. Full flavours are brought about with black raisin and almond slices, while citrus peel adds a nice tangy twist.

Stollen **\$8.80**

The well-known German delight is a luxuriously moist loaf-shaped fruit cake encompassing a special blend of dried fruit, nuts and spices. A little goes a long way for this true-blue traditional European cake which is best enjoyed in thin slices.

Merry Berry **\$8.80**

Presented in the shape of a Christmas tree, Merry Berry is a flaky and buttery Danish pastry with creamy smooth custard within and decorated with a bounty of fresh strawberries, blueberries and red currants.

Santa's Surprise **\$5.80**

Also known as King's Cake, this orange brioche bake was traditionally associated with the festival of Epiphany in the Christmas season. With a long history on its back, this cutesy donut chock full of sweet orange slices, and red & green cherry has come a long way to reach our shores.
